Refund of Sales and Use Taxes under	:	
Articles 28 and 29 of the Tax Law for	:	
the Period December 1, 1974 through	:	
February 29, 1976.	:	

Petitioner, Sterling Optical Bayridge, Inc., 455 86th Street, Bayridge, New York, filed a petition for revision of a determination or for refund of sales and use taxes under Articles 28 and 29 of the Tax Law for the period December 1, 1974 through February 29, 1976 (File No. 16633).

A small claims hearing was held before Arthur Johnson, Hearing Officer, at the offices of the State Tax Commission, Two World Trade Center, New York, New York, on February 27, 1980 at 1:15 P.M. Petitioner appeared by Neil Lavin, Assistant Corporate Controller. The Audit Division appeared by Ralph J. Vecchio, Esq. (Barry Bresler, Esq., of counsel).

ISSUE

Whether petitioner's purchases of eyeglass frames for use as replacement parts in repairing eyeglasses are subject to sales or use tax.

FINDINGS OF FACT

1. Petitioner, Sterling Optical Bayridge, Inc., a subsidiary of IPCO Hospital Supply Corp., is engaged in the operation of an optical retail store. The primary business activity consists of filling prescriptions for eyeglasses and contact lenses which are received from staff optometrists as well as outside optometrists and ophthalmologists. Trained personnel assist the customer

in selecting a frame and properly fit and adjust the frame. Other activities include performing repair work on prescription glasses, such as replacing a temple or broken lens, eye examinations and selling non-prescription sunglasses.

2. On August 10, 1976, the Audit Division issued a Notice of Determination and Demand for Payment of Sales and Use Taxes Due against petitioner for the period December 1, 1974 through February 29, 1976 for taxes due of \$285.45, plus penalty and interest of \$73.66, for a total of \$359.11.

3. The Audit Division performed an audit of the books and records of all Sterling Optical locations in New York State. The tax assessed on the aforementioned notice represents the tax on that portion of eyeglass frames purchased that the Audit Division determined were used as replacement parts in servicing or repairing eyeglasses. Petitioner consented to and paid all other tax deficiencies determined on audit.

4. Petitioner, as part of its business activities, repairs eyeglasses for its customers. Replacement parts are taken from similar complete frames in stock. If such part is not available, petitioner will attempt to sell a complete new frame. Petitioner contended that it did not charge customers for repair services unless it was necessary to replace a broken part and that such charge was only for the part itself.

5. Petitioner issued a resale certificate for the purchase of eyeglass frames. Petitioner argued that the frames are resold to customers regardless of whether some are sold as replacement parts rather than complete units. The Audit Division's position was that petitioner is performing a service not subject to tax and the purchase of tangible personal property used in performing such a service constitutes a purchase at retail and therefore subject to tax.

CONCLUSIONS OF LAW

A. That, during the period at issue, section 1115(a) of the Tax Law provided an exemption from the sales and use taxes for:

"(4) Prosthetic aids, hearing aids, or eyeglasses and artificial devices designed for the use of a particular individual to correct or alleviate physical incapacity."

B. That the eyeglass frames purchased by petitioner for use as replacement parts in repairing prescription eyeglasses constitute component parts of said eyeglasses and, therefore, are exempt from tax pursuant to the meaning and intent of section 1115(a)(4) of the Tax Law.

C. That the petition of Sterling Optical Bayridge, Inc. is granted and the Notice of Determination and Demand for Payment of Sales and Use Taxes Due issued August 10, 1976 is cancelled.
